Bedford

Light, space and volume characterize the Bedford's gracious foyer, living and dining rooms. A cathedral ceiling and fireplace flanked by tall ornate windows provide dramatic focal points. The large gourmet kitchen beyond the dining room features a pantry closet.

The Bedford, which provides 2,390 square feet of living space on two levels, has a first floor master bedroom suite. Its luxurious master bathroom contains a platform tub, separate shower, double vanity, walk-in wardrobe and linen closet. A den/bedroom, laundry room, second bathroom and two-car garage complete the first floor.

The second floor gallery leads to two additional bedrooms, two full baths, walk-in closets and storage area. The Bedford is ideal for homeowners with large visiting families.
